### **Bid Schedule Instructions**

BIDDERS, PLEASE NOTE: Before preparing the bid, carefully read the Solicitation Provisions.

This Bid Proposal is comprised of one schedule:

Schedule A – 4R-Pulverization, Aggregate, Asphalt, Shoulder Reconditioning and Drainage

- Insert a numeric unit bid price for each pay item for which a quantity appears in the bid schedule. Unit bid prices should be quoted no more precisely than the nearest cent (2 decimal places). Unit bid prices quoted more precisely will be rounded up to the nearest cent by the Government
- Multiply the unit price by the quantity for each pay item and show the amount bid. When the words “Lump Sum” appear as a unit bid price, insert an amount for each lump sum pay item.
- Total all amounts bid for each pay item and show the Construction Cost Total for Schedule A on page A-13.

**NOTE:** If the amount bid for a pay item is inconsistent with the product of the unit price provided by the bidder and the quantity provided by the Government, the unit price will govern and the Government will determine a corrected amount bid for the pay item by multiplying the unit price by the quantity.

### **Evaluation Factors for Award**

To be eligible for award of contract, the offeror shall submit prices for each item in the bid schedule.

***Pay Item 15401-0000 Contractor testing - Bidders must provide prices on two alternative Contractor Testing pay items in two different places in the bid schedule. On Page A-5 of the bid schedule, bidders must provide a price for Contractor Testing using a Contractor-furnished field laboratory. As part of Schedule A the price for this alternative item will be included in the "Schedule A Total" line on Page A-13 of the Bid Schedule and, therefore, included in the evaluation for award.***

***Bidders must also provide a stand alone price on the bottom of Page A-13 for the alternative item, Contractor Testing using a Government furnished field laboratory. This price will not be factored into the evaluation for award. The Government retains the discretion to award a contract which includes either of the alternative Contractor Testing items at the respective bid price.***
