

# *Top of the World Store*

The road segment near Top of the World Store is located in the Little Bear Creek valley. The existing road alignment in this section is fairly straight and flat, but narrow in width. Portions of the existing road are located in wetlands and riparian areas adjacent to Little Bear Creek.

Wetlands adjacent to road

## **Existing Alignment Option**

- Closely follows the existing alignment.
- Includes widening the road on either side of the existing road.

## **Minor Realignment (Option A)**

- Provides curvilinear alignment generally north of existing road.
- Affects least amount of wetlands.

## **Major Realignment (Option B)**

- Generally stays out of valley bottom.
- Provides a more scenic drive.
